Client / Employer

Land, Public Works and Transport Bureau

**Service** Design provided by CONSULASIA, LDA.

**Investment** Approx. MOP 150 Million

**Contract Price** MOP 6.5 Million

**Time Schedule** July 2009 to 2012

### Description of the Project

For the purpose of fulfilling the concern from DSSOPT of building within the city quality green spaces, where families can enjoy recreational areas and green environments, as well as providing more parking spaces in central Taipa, the Seng Tou Garden, which comprises of a total intervention area of 29.354.13 m<sup>2</sup> and two floors of underground parking, has been proposed.

In an attempt to serve better the local people, opinions from public audience and commentaries have been considered in the design of this multifunctional space, with library, swimming pool and various small sport facilities.
