Service Reclamation and Seawall Design Works by CONSULASIA, LDA

Investment Approx. MOP 48 Million

Contract Price MOP 670,000

Time Schedule July 2003 to September 2003

Description of the Project The project involves providing a reclamation and seawall design for the construction of the Inter-border industrial park at the Northern part of Macao (i.e. "Ilha Verde"). Lands, Public Works and Transport Bureau (DSSOPT) collaborated in building infrastructure projects at the said area after the completion of the land formation.

The design consisting on this project involved reclaiming an area of sea with at least 200,000 square-meters and building a seawall support along the new shore line of the reclaimed area.

This initial design stage of the project was completed on September 2003.
